TO WHOM IT MAY CONCERN

This letter serves as an introduction to **Rodger Parker** who has been granted permission to seek donations on our behalf for his event – Bullo River Station Trail Ride in 2011.

Any assistance you are able to give **Rodger** will be greatly appreciated. As the Cancer Council Queensland receives no government funding, we rely solely upon Queenslanders to support our vital anti-cancer programs.

In anticipation of your support, thank you.

Yours faithfully,

Megan Walker
Community Fundraising Manager
